

Milica Pantelic

Web Developer

Belgrade, Serbia • + 381691408997 • milica.pantelic.14@gmail.com

Portfolio: <https://miicy.github.io/portfolio/>

Web Developer with expertise in HTML, CSS, JavaScript, and React. My journey as a Web Developer has been shaped by diverse projects, including impactful freelance endeavors that provided a solid foundation in crafting responsive web applications. Proficient in both independent and collaborative work, I'm eager to contribute within a team environment that fosters continual professional development. I'm grateful for the opportunity to learn and grow within this dynamic setting.

RELEVANT WORK EXPERIENCE

Freelance Work:

E-commerce Website and Admin Panel Development

2023

Tech Stack: MERN

- Designed and developed web app, featuring a client-side web shop and an admin panel.
- Ensured full responsiveness for mobile and desktop users.
